

# Strawberry Love Letter Sandwiches

## Ingredients

Two pieces of soft bread (we used whole-wheat Japanese bread)

Peanut butter

Jelly

Strawberries, sliced into a heart shape

## Instructions

Cut the crusts off the bread. Cut the sides off the top of one piece so it looks like a house. Cut the second piece into a concave pentagon, which looks like the bottom of an envelope.

Add peanut butter and jelly to the bottom part of the house.

Place concave pentagon on top of peanut butter and jelly.

Fold down the top of the envelope and seal with dab of peanut butter. Use another dab of peanut butter to keep strawberry in place.

Garnish with any leftover strawberries, seal with a kiss, and serve.
